STIMULATES – STRENGTHENS – REFRESHES

ACTIVE SHAMPOO

This strengthening shampoo has been specially developed for men who want to maintain healthy, strong, and vital hair. Thanks to the active Bio Capigen™ VEG-complex, the hair is strengthened from the root and actively helps to prevent hair loss. Suitable for daily use.

- *With Bio Capigen™ VEG: a powerful complex of vegetable proteins, amino acids, vitamins, and red onion extract.*
- *Stimulates keratin synthesis and helps to combat hair loss.*
- *Ginseng & Vitamin B nourish the scalp and energise the hair roots.*
- *Panthenol & Glycerine provide hydration and shine.*
- *Zinc PCA ensures healthy sebum production.*
- *Use in combination with the ACTIVE LOTION.*

ACTIVE LOTION

Strengthening leave-in lotion for men who wish to strengthen and refresh their hair and scalp. The formula combines hair and scalp care in one to-be-used daily product.

- *With Daymoist™ and vitamin E for intensive hydration and care of hair and scalp.*
- *With Follicusan™ to activate the hair roots, prevent hair loss, and stimulate hair growth.*
- *Provides an immediate fresh feeling.*

GENTLE CLEANSE – FRESH FEEL

HAIR & BODY WASH

A pH-neutral, 2-in-1 product specially developed for men. This gentle formula cleanses effectively without drying out skin and hair, and is suitable for daily use.

- *Enriched with glycerine and sodium PCA for hydration and skin elasticity.*
- *Panthenol and Aloe Vera restore the moisture balance in skin and hair and provide intensive care.*
- *Hydrolyzed wheat protein protects the skin and nourishes hair.*
- *Dermatologically friendly by using a particularly mild cleanser.*

COOLING – REFRESHING – NOURISHING

ICY LOTION

Invigorating leave-in lotion for men who love freshness and care. Suitable for all hair types and offers direct cooling thanks to menthol, combined with active ingredients that care for the scalp and strengthen the hair.

- *Menthol provides a direct and long-lasting cooling sensation.*
- *Piroctone Olamine tackles dandruff and supports healthy scalp.*
- *Panthenol & Aloe Vera restore the moisture balance and take care of hair and scalp.*
- *Ginseng extract and hydrolyzed wheat proteins strengthen the hair and protect it from external influences.*

NEUTRALIZES YELLOW – SOFTENS & PROTECTS

SILVER SHAMPOO

This gentle shampoo has been specially developed for white hair and helps neutralise unwanted yellow appearances. The nourishing formula makes the hair soft, smooth and easy to comb. Use regularly.

- *Neutralises yellow appearance for a fresh, natural “silver shine”.*
- *Contains Coco-Glucoside, a mild and dermatologically tested foam .*
- *Hydrolyzed Wheat Protein protects and strengthens the hair and scalp.*
- *Moisturises and nourishes without drying out the hair.*

NATURAL MATTE LOOK

MATT STYLING PASTE

Matt texturising paste based on natural clay with a strong hold.

- *Creates a natural, matte finish without shine.*
- *Enriched with kaolin for grip and texture.*

VOLUME AND HOLD

MODELLING WAX

Modelling wax based on rice starch gives the hair volume and provides a strong fixation.

- *Provides volume and body in the hair.*
- *Based on rice starch: natural and effective.*

MAXIMUM HOLD

STRONG GEL

This powerful styling gel has been developed for men who want to keep their look all day long without residue or flakes.

- *Extra strong fixation for long-term control.*
- *Dries quickly, without flakes.*
- *Suitable for all hair types.*

ANTI-DANDRUFF – HEALTHY SCALP

CLEAR SHAMPOO

An effective anti-dandruff shampoo specially developed for men. The powerful combination of piroctone olamine and vegetable extracts tackles dandruff and stimulates a healthy scalp. Use daily until the problem is resolved, then regularly.

- *Piroctone Olamine (Octopirox) tackles dandruff and helps prevent hair loss.*
- *Plant complex with birch, arnica and nettle calms, stimulates and supports scalp function.*
- *Panthenol and glycerine provide hydration to hair and scalp.*
- *Polyquaternium-10 makes the hair smooth and combable.*
- *Use in combination with the CLEAR LOTION for optimal functioning.*

CLEAR LOTION

A powerful leave-in lotion specially developed to combat dandruff. The formula combines effective ingredients such as piroctone olamine, plant extracts, and allantoin for a healthy, balanced scalp. Use daily until the problem is resolved, then regularly.

- *Piroctone Olamine (Octopirox) works effectively against dandruff and helps prevent hair loss.*
- *Plant complex with birch, arnica and nettle supports a healthy scalp and stimulates microcirculation.*
- *Allantoin soothes the scalp and prevents irritation.*
- *Panthenol moisturises and strengthens hair and scalp.*
- *Use in combination with the CLEAR SHAMPOO for optimal effect.*
